RE: Letter to the Editor

I am writing this to ask for volunteers to fill some of the opportunities we presently have at the City. Our Recreation Department sponsors annual events such as the Fishing Derby and the Summer Fest, and can always use help in various positions, including watering our plants downtown. We also have some City committees and boards that are in need of new members. Because we are always looking to find ways to bring new business to the City and to support and encourage the businesses that we currently have, members of the community are encouraged to provide comments and suggestions as to how we as a City can bolster this effort.

The City needs volunteers to help us move into the future. Change is a must. Let's be in the driver's seat that directs that change. If you are interested in being a volunteer or serving on a committee or board, please contact me for more information. Thank you!

Leo N. Matzke
Mayor
